Title: The Very Hungry Bug

One Sunday morning, the warm sun came up and pop! Out of the egg came a tiny and very hungry bug. It started to look for some food.

On Monday, it ate through one pizza, but it was still hungry.

On Tuesday, it ate through two marshmallows, but it was still hungry.

On Wednesday, it ate through three candies, but it was still hungry

On Thursday, it ate through four pancakes, but it was still hungry.

On Friday, it ate through five cherries, but it was still hungry.

On Saturday, it ate through one sandwich, one fish, one piece of ham, one piece of donut, one pineapple, one piece of egg, one popsicle, and one chocolate.

That night it had a stomach-ache. The very hungry bug then ate through one leaf. It started to feel better.

Now the very hungry bug was no longer small. It was so big and he lived happily ever after.
