Title: My Dream School

Wonderful Primary School is my dream school.

It is Wonderland. It is big and clean.

I like the art room., the library and my classroom. The art room is on the first floor. I draw pictures in the art room. There are many pictures. The library is on the second floor. There are many Chinese and English books.

I like my dream school because I can learn, read, and play with my classmates. My teachers love me very much. I have a happy primary school in my life.
