Title: Tom's birthday

Today is Tom's birthday. He is nine years old. His mum goes to the supermarket and the bakery with his dad. His mum buys a lot of chicken wings, some chips and some soft drinks and his dad buys a toy robot for him.

His birthday party is at home. His dad gives him the robot and his mum is preparing the food and put them on the table. His dad and his mum say, "Happy birthday, Tom." He feels happy and his parents also feel happy.

His mum takes out the birthday cake, She is ready to put the cake on the table. Suddenly, the cat jumps up and grabs Tom's mum's hand and the cake drops down on the robot..

So his dad and mum help him clean his robot and the table.
