**Title: At the beach**

Today is Sunday. It is sunny and hot. My uncle and I go to the beach.

I am happy because I like the beach. When we arrive, it is crowded. Some people are playing with water and some people are relaxing under the sun.

My Uncle says, "The people here are having a lot of fun."

I like to spend a hot summer day on a beautiful beach. I see a boy. He is throwing a can on the beautiful beach. I feel angry. I say to the boy, "Don't throw rubbish on the beach." The boy says, "I don't care!"

Then, I rush to uncle. I say, "Please call the police because there is a litter bug." My uncle says, "Ok!" When the police officers come, the boy is fined. My uncle says, "You're a good boy because you love the environment."
