Title: Sports Day

It was Sports Day last Friday. Tom was late for Sports Day! He woke up at seven forty-five. Tom felt worried because he had a lot of races to attend and without Tom, Tom's teammates couldn't win the relay!

Tom's mom made sandwiches for breakfast. Tom was in a hurry, so he skipped the breakfast. Tom's mom shouted, "Eat something or else you will have no energy to run!" Tom didn't care, he ran to the bus stop and just in time the bus came. Tom got to the Sports ground in time.

Tom joined the relay and the 100m race. Tim was Tom's best friend. Tim ran very fast! Tom was mad and Tom fell down, because he wasn't concentrating! Tom had a bad injury. Tom felt sad and ashamed.

Tom had a broken leg and got sent to the hospital! Tom felt upset and tired. He learned to concentrate on what he should be doing and he should be happy for Tim because Tim was the champion.
