This morning, I joined a fun game at school. The game is called Touch and Guess. The host was Mr Chang. Amy, Joe and I joined the game. 'Let's start now!' Mr Change said.

First, Amy put her hand in. 'hummm,' Amy said. 'I think it is a teddy bear!' 'Yes, you're right! Now, you can keep the teddy bear!' Mr Chang said. Everyone cheered.

Next, Joe put his hand in the box. 'Ouch!' Joe said. 'Is it a pineapple? It really hurts.' 'Haha!' Mr Chang said. 'You got it right! Now, you can enjoy your pineapple!' Everyone was laughing their head off!

After that, it was my turn to put my hand in the box. It was rough, a little sharp and really hard, 'Is it a tiger shark tooth?' I said. 'Wow, how did you know?' Mr Chang said. 'Lucky guess.' I said calmly. 'Well, you had a really lucky guess because it is a tiger shark tooth! And now you can keep it!' Mr Chang said. I was over the moon! Everyone cheered for me.

Today was the best Halloween I have ever had! I want to join the game again.
